

Want to study Medicine?

Are you in secondary school and come from a widening participation background?

In2MedSchool is a free initiative created to support aspiring medical students!

We want to help!

How can we help?

1:1 mentoring
Mock interviews
UCAT/BMAT practice
Personal statement support
Work experience

Widening participation criteria:

- ★ Neither parent attended university
- ★ Recipient of free school meals
- ★ Live in an area of low progression to further education
- ★ English as a second language
- ★ Having a disability
