Welcome

Welcome to our STEM Nation Award information booklet. This booklet aims to give you an overview of our STEM Nation Award programme and the support resources available to you as well as highlighting upcoming events.

Meet the Team

Hazel, Lorraine and myself make up the current STEM Nation Award team at Education Scotland and we are here to answer any questions you may have about the programme and to support you on your STEM Nation journey. We look forward to hearing from you!

What is the STEM Nation Award Programme?

The STEM Nation Award was designed by Education Scotland, taking inspiration from the Scottish Government's STEM education and training strategy (2017), to celebrate, promote and build on effective practice in STEM education within and across sectors.

The STEM nation award is comprised of five elements which link with the key priorities from the STEM education and training strategy. The five elements are:

- Leadership in STEM
- STEM family and community learning
- Employability and STEM partnership working
- STEM curriculum pathways/progression routes
- Equity and equality in STEM

Who can register?

- Early learning and childcare (ELC) settings
- Primary Schools
- Secondary Schools
- ASN
- Providers of Community Learning and Development (CLD)
