

CAREERS CONFERENCES

Our one-day careers conferences will take place across the UK. We're partnering with a range of businesses to provide real-life examples of a variety of career paths.

- Our conferences are aimed at students aged 14 to 16, and 16 to 18.
- Each conference will have between 100 and 150 student places available.
- Conferences will feature speakers from relevant industry settings and a range of activities.
- Students will explore the broad range of space sector & STEM careers and routes into them.
