

Inspire our young minds with free school talks

Unlock your students' curiosity with over 40 free school talks from Scotland's top experts. Our programme offers primary and secondary school students a unique opportunity to learn from professionals across diverse fields.

Covering subjects from forensic science, astronomy and physics to literature, culture, and the arts, we work with teachers to tailor each talk to class and curriculum needs.

Who is the RSE?

The Royal Society of Edinburgh (RSE) is Scotland's National Academy. We use the combined knowledge of our 1,800-strong Fellowship to inspire the next generation of innovative thinkers and help work towards our mission of 'knowledge made useful'.
