PA Consulting Digital Masterclasses

PA Consulting have teamed up with Career Ready to host a series of tech digital masterclasses for a select number of Year 12/13 and 6th Year students interested in the tech industry. The sessions will be held on the 7th, 8th, 9th and 16th of November and will run for 1 hour. These sessions will be delivered by experts in the field with the aim to inspire and raise awareness of the different areas of tech and show you how you could get into this type of career in the future.

Safeguarding Smart Homes from Hackers

Toby Wilkinson
